“ Alex, breakfast every morning with you and Ken in KaF was always my favorite meal. The laughing and just being silly and of course the walk to Tim Hortons afterwards were highlights of my day and that was only 6AM.
Thank you for being just you !

“ As his eldest brother I was very proud of Alex and enjoyed his kindness - he was always very kind. He knew how to get along with people and was excellent at interacting with them. We got along well and played shinny together but due to the age difference and his being away a lot in training and the forces we didn't see a much of each other. He would make trips back to Saskatchewan whenever possible and we would thoroughly enjoy his fun loving nature and energy visiting at Dad & Mom's. Hats off to a wonderful man! We know he will be greatly missed. We pray God's peace and comfort be with you and everyone in your family in the days ahead. We will be with you in heart, mind and prayers at the Celebration of his life. Unfortunately it is impossible for me to be there in person.

“ Dear Tracy and family,

Sending sincere condolences to you at this sad time.

Regretfully, on Feb. 3rd., I will not be able to stand with you in tribute to a honourable soldier, sit quietly by your side as you say good-bye to a precious father, nor smile at the memories you will share.

If I may, I just wanted to add one small remembrance. Mr. Wolbaum, who will always be known as Tracy's dad to me, was indeed a generous and kind man. About 20 years ago, he and Tracy's mom were willing to take in my husband at Christmas-time. They generously opened their home to someone they barely knew, expecting nothing in return, so that Robb would not have to spend Christmas alone. We are grateful.

Thinking of you all, and missing you terribly, Tracy.
God be with you in the days to come.
Love, Leona

“ My dad Alex was a hard working man, who provided everything for his family. His definitely had a sense of humor and was someone who you could always rely on. I just moved back from Newbrunswick and spent the last year with my parents and am so grateful I had that time with my dad. We had many long talks, he helped me and his grandson through some tough battles, we might not have always agreed on everything both being pretty stubborn but our love ran deep. Rip dad thank you for being you! I love you & miss you always XOXO

“ RIP my brother, Alex and I served together in both Germany and Gagetown, A man with a quick wit and a sense of humour that was infectious to all. A solid Soldier who's love of the military could only be out matched by his love of family and friends.
