Mr. William Pritchard Roberts

January 5, 2012

It is with sadness we announce the passing of our Dad and Grandad William Pritchard Roberts (Robbie) on Thursday January 5, 2012. William was born in Hanna, Alberta in 1923. In 1941 at 18 he enlisted in the Canadian Air Force during WW11 and was sent overseas to England. His squadron the 612 is where he contributed to the war effort and his role as Leading Aircraftman is where he learned to love working on aircraft such as the "Spitfire" up until his Honorable Discharge in 1945. He was a wonderful husband to Rita, a loving grandfather to Danielle, and was always there for Diane and Bruce. He was a thoughtful caring person and a true gentleman. The family wishes to thank the staff of LSSE wing and KC3 wing and Chaplin Wes Roberts at Sunnybrook veteran’s residence where Bill was cared for with such love and respect. They truly made a difference in his happy life there. Mr. William Roberts will be cremated at his request.
