

Carol Hurst

October 2, 2017

It is with great sadness we announce Carol's passing on Monday October 2, 2017, at the age of 53. Carol will be forever lovingly remembered and deeply missed by her devoted husband Dale Moser and their son Garrett. Also mourning their loss are Carol's mother Mary Mullen, and her siblings Alison, Tricia, Sandy (Albert) and Tim. Carol will also be deeply missed by the Moser family, who embraced her like a daughter and sister, including her mother and father-in-law Bill and Blanche, her brothers-in-law Mark and Paul and sisters-in-law Luanne and Gerri. Carol's nieces and nephews, Mark, Scott, Liam, Spidey, Hailey and Maverick will miss their loving auntie extraordinaire. Carol was predeceased by her father Edward and sister Kellianne. Carol was a loving and generous spirit who worked tirelessly to support her family and friends, hosting wonderful dinners and cottage weekends, finding the perfect cocktail recipe, and making sure that everything ran smoothly. She was also a thoughtful and devoted colleague who was very respected and relied upon by her colleagues at Right Management, where she worked for almost 20 years. Carol's time with us was far too short and she will be missed. A celebration of Carol's life will be held at a later date for family and friends.

“ My very sincere prayers and thoughts go to Dale and Garrett and Carol's entire extended family. I was fortunate enough to cross paths with Carol as we partnered to on board so many new hires to the Right Management organization. Carol was a JOY to work with...she was always upbeat, professional and amazingly quick to get things done. Everyone who encountered her raved about her. Her love for her family was evident as she shared tidbits about those family get togethers and amazing cottage trips. She possessed a beautiful soul and will be sorely missed! May peace be with all who mourn her.

“ I never met Carol in person, but I will remember with gladness of how helpful she was when I needed some assistance as a project coach. I thought at the time how blessed we were to have someone like her to support us. She was special in the small way I connected with her.

“ Delightful, helpful, always cheerful, organized, a blessing to all, resourceful, talented... all words I've heard many times over the years during my work with Carol. Carol's sudden passing leaves a hole in our hearts that will take a very long time to heal. I extend my sincerest condolences to Carol's family. Words do not adequately convey my sorrow and sense of loss. I am forever grateful for having had the privilege of knowing Carol and calling her a colleague and friend. She will be deeply missed.
