If I listed them all, it would have been a novel's worth.

Special thanks to the medical staff Dr. Reubenfeld, surgeon Dr. Nam and the rest of the nurses at Sunnybrook Hospital ICU and Critical Care Unit for the excellent care they took of our mother. They showed us respect, compassion, and allowed Mom to leave this world on her own terms.

“ I have many fond memories of Diane. I was so saddened to read about her passing. Even though most if not all of you have never heard of me I have held Diane fondly in my thoughts for years. My most sincere condolence to all who knew and loved her. Reading what Natalie wrote sounds like she lived a full and happy life. No one deserved it more. Fare well my old friend and God Bless you and your family. Love Forever Gary Scholze

“ A fond memory I have of Mom was asking her to see Dirty Dancing when it came out in the theatres. I wasn't old enough to go on my own. I wanted to go just for the music. Mom ended up taking me and she loved the movie. Mom also loved Celine Dion and for her birthday one year I took her to Celine in Toronto at the ACC. You could tell Mom was in heaven. Another time was bar hopping on snowmobiles in Alban. That was an adventure for sure!
