

Dwayne Morton

July 8, 2021

December 20, 1960 to July 8, 2021

It is with profound sadness that the family of Linda Dwayne Morton (nee SCOTT), 60, announce her passing. Known as Dwayne to her friends and family, she was the loving wife, for 37 years, of David, loyal sister to Dwight, joyful mother of Scott and Derek, proud Nana to Chase, Alivia and Elodie, and a life-long Toronto Maple Leafs fan.

The daughter of Alan (Scotty) and Maxine Scott, Dwayne entered into the world of Nursing after graduating from Durham College in 1981 and started helping mothers bring their babies into the world, primarily at Humber River Regional Hospital in Toronto and did so happily for almost 35 years.

Dwayne lost her battle with several health issues on July 8. She will be lovingly remembered by her family, friends, and those whom she helped through some of the most important moments of their lives.

As per her wishes, a Celebration of Life will be held once COVID-19 restrictions are eased. In lieu of flowers, her family asks that a memorial donation may be made in her name to Diabetes Canada or the SickKids Foundation.

“ My deepest condolences to the Morton and Scott families on the passing of your dear relative- Dwayne. Dwayne was one of the first friends I made after moving to Toronto from the US. She made me feel welcome and I enjoyed her sense of humor and professionalism for over a decade. She has left us too soon but I hope the beautiful memories she left behind will sustain you through this difficult time. Rest in Peace my friend.

She always had a smile on her face during school and we always called each other cuz after finding out we were distant relatives. My heart goes out to the families and loved ones who are grieving her loss. Her infectious smile will never leave me. Safe travels cuz! Xoxo

“ I want to let Dave, Scott & Derek know how profoundly sorry I am to hear of Dwayne's passing. I hope in time, your memories of her will bring you comfort and a smile to your face.

My time working with Dwayne was something I will never forget, as her humour & laughter lightened some of the most stressful times, and she always had our back. I was very blessed to have her in my life, and to consider her my friend.

“ To Dave and the entire Family, please accept my deepest sympathies. I had the opportunity to work with Dwayne at church site for many years. What I remember about her the most was her great sense of humor. She had made me laugh so hard on many occasions. It was a pleasure learning about the people she adored the most in her life: her husband her boys and her grand children. She was so proud of you all. I am so sad to hear of Dwayne passing and will continue to cherish the memories that I have of her. May her soul rest in peace.

“ Dear Dave and family:

I'm so very sorry to hear of Dwayne's passing. She was always a great friend to me in school, and she'll be sorely missed. I've attached a photo I hope you like. It's from 1974, with me in the middle, Lori Munce on my right, and Dwayne on my left. RIP Dwayne.

“ Dear Dave, Scott and Derek, my deepest condolences to you all. Dwayne and I spent many years driving to and from Humber, working very closely together, she was one of my closest confidants and we trusted each completely. She always, without fail had my back. But,her absolute love and delight was with you and the boys. And, later Scott's children. Dwayne loved being a Grandma. Her baking was legendary, anyone who tasted her rum cake would attest to that. We all looked forward to that treat. As for work, there are many mothers and babies here today because of Dwayne. To Dwayne, everyone mattered, and she gave her very best. I will miss her forever. M

“ My deepest condolences to the Morton and Scott Family. I remember Dwayne with a smile on her face all the time. She was a good friend from grade school to high school. The last time I actually saw Dwayne and Dave was over at Brooklin Medical centre and she was pregnant with her first child and so was I. It was so nice to see her. She was always a joy to to be with. May you Rest In Peace Dwayne
