“ I only met Elaine a few times.
I remember our 1st meeting many years ago at a ski day in Collingwood.
She really enjoyed skiing.
We shared conversation at Don's cottage several years ago.
She was a lovely woman.
Now that her struggle is over ..she is at peace.

Rest in peace Elaine.

“ Over the years Elaine and her friends have always included me in their lunches out. The conversations have always been lively and interesting and their company the best. From my favourite lunch I have a picture of the five of us in a restaurant at Dundas and Markham Streets. It is tacked on the fridge so I can always smile. Elaine will always be remembered with love and affection.

“ Elaine was a lovely woman full of life, love, kindness and happiness. Many happy luncheons in downtown Toronto and many exciting ski holidays in Ontario, Alberta and Austria were spent with her. I will miss her smiling face and love of life. The sun doesn't seem to shine as brightly now that she is gone. But every time I think of her I smile.

“ Our family has wonderful memories of Elaine that will last us all our lives! Michael was the first to meet Elaine in 1987 when he began RCIA and she was his first sponsor, as he knew no one else and Elaine was with the RCIA team and quickly befriended him. When Michael and Paula became engaged early in 1988, Paula took over being Michael's sponsor but Elaine remained a big influence on Michael's faith journey. Elaine was a bit too shy to be an official wedding guest but we both could see her standing next to the organist in the loft when we turned around to face the people.

Elaine introduced us to Don and they invited us to the cottage on Stoney Lake that summer in 1988. Little did we know that the visit would become an annual event as all four of our children (Christine, Sarah, Mary, and David) grew up. Auntie Elaine (and Uncle Don) were with us at family celebrations throughout the ensuing years, becoming part of our family and our daughter Sarah's Godparents.

Elaine's affection for us and for everyone she met brought us all a keener sense of the joy that can be found in the world. Elaine always saw the hopeful in every situation. She was a true friend and a model of faith-filled living for which we will always be grateful.

She lived life to the full and now she is “FTB” (full to the brim) as she would say. Heaven awaits our dear (Auntie) Elaine!

“ I will always remember Elaine as cheery and happy to see everyone. A gracious and welcoming host and guest. She was interested in what was going on in your life and made so many people feel so special. I will miss the ease with which she could find the upside of most anything. Julie Lees.
