

Elizabeth Ann Brooks

July 28, 2020

It is with great sadness to report the passing of Elizabeth Ann Brooks (Simpson) Tuesday July 28th after an 8 month illness.

She went peacefully at Southlake Regional hospital in Newmarket surrounded by her loved ones. She will be greatly missed by husband David Brooks. Daughter Erin Windsor (James), sister Catherine Burbage (Mike), brother Joe Simpson (Judy) Joanne Fehr (Isaac) Jeffery Simpson, Papa Ralph and Janice Fenik, Zack, Ella, and Lennox and grandchildren Clark and Gwen Windsor.

She loved her grandkids and loved Blue Jays baseball, always watching on TV or attending 2-3 games in person a year.

She loved spring and summer so she could work with her flowers and watch the veggies grow. We'll miss the summer nights out back and watching the bats and stars.

Liz spent 20 years as a school bus driver and loved her students immensely.

A celebration of life will happen at a later, safer date.

Donations to Canadian Cancer Society or Shades of hope animal rescue in her name in lieu of flowers is appreciated.

“ Liz and I have know each other for too many years to remember. She always said I was her oldest friend. I'd remind her that I was the friend she'd known the longest but that we weren't old. I remember teaching her how to drive a standard. She bought a car when she was 16 then realized she couldn't drive it because it was a standard. We spent many hours in the parking lot at Thornlea SS going in circles until she figured it out. Her first attempt on an actual road was very scary. I have so many memories with Liz from high school dances to going to see the Good Brothers to our weddings and having kids. But Especially the haunted farm house she lived in in Stouffville. So many great parties at that house. Including her brother John's wedding. Which included a hot air balloon piloted by our mutual friend John Adams. We could goes years not seeing each other but when we met up again it was like no times had passed. You were an amazing friend Liz, and will be sorely missed. Love you always and forever. Say hi to John for me.

“ So sorry to hear of Liz’s passing, she left us with lots of great memories over the years, from our get togethers at the Hunters Nest to sitting in her her back yard under a tree sipping on a cold beverage. She was so proud of her garden and was glad to show it off when people came over. She will be greatly missed. Always in my thoughts.
