FLORA LOUISE JOY (née PIKE) October 10, 1926 - December 16, 2017

It is with sadness that we announce the passing of Flora Joy, at age 91. She died peacefully, surrounded by family, at True Davidson Acres in Toronto, after a long illness during which her family, friends and caregivers were impressed again and again by her resilience and life force. The family extends heartfelt thanks to the kind staff of True Davidson Acres. She is predeceased by her husband Clifton Joy and her brother James (Eileen); survived by her children John (Robin), Robert (Henry), David, and Debora (Misha); her sisters Frances (Starr) and Margaret (Brown); her brothers Henry (Frances) and Roy (Eileen); her sister-in-law Eileen Pike; her grandchildren Ruby, Sara, Reba, Emma and Nikolas; and many loving and beloved nephews and nieces, on both the Joy and Pike sides of the family. Born in Carbonear, Newfoundland, Flora studied nursing at the General Hospital in St. John's. Before she graduated, her father James and her mother Margaret (Powell) passed away, leaving Flora as head of the family. She married Dr. Clifton Joy in 1949. Over the ensuing years, Clifton and Flora's home often sheltered not only their children, but also Flora's siblings, and Clifton's nephews and nieces. Flora worked tirelessly alongside Clifton for the establishment of Newfoundland and Labrador's first and only pediatric hospital, the Janeway Children's Health and Rehabilitation Centre. She was a hostess extraordinaire, whether throwing legendary garden parties, cocktail parties, New Year's Eve gatherings, bridge parties for her beloved bridge friends, or elegant Sunday dinners, where visiting dignitaries, interns, residents, relatives and family friends were always welcome. Interment will take place at St. John's Norway Cemetery, 256 Kingston Road, Toronto, on Friday, December 22 at 1pm. A memorial gathering in Flora's honour will be held in Toronto at True Davidson Acres, 200 Dawes Road, on Saturday December 23 at 3pm, followed by a reception from 6pm - 9pm at her daughter Debora's home (joyworks@rogers.com). Another gathering will be held in her beloved St.

John's, Newfoundland at a future date. In lieu of flowers, donations may be made to the Janeway Children's Hospital Foundation (<http://www.janewayfoundation.nf.ca>) or to a charity of your choice.

“ To the family of Flora Joy... I apologise for this late message, however, I only heard about Mrs. Joy's death recently. I worked with her for several years as a caregiver and it was definitely one of the most interesting times in my life! She was full of energy, curiosity and at times wanted to be on the go all the time. I am saddened to know that she is no longer with us and I send my deepest sympathy to all the family. She was a great lady with a generous heart. When I think of her, I always smile and remember some of our time together. Thank you for the opportunity I was given to spend time with her.

Sincerely,
Jennifer Whitfield,
St. John's, NL

“ We were so sad to hear of Aunt Flo's passing. I will miss her stories and her solid, no nonsense advice. She will always be in my heart. I can still hear her warm laugh and see that mischievous smile when she knew she was right! I cherished the advice she gave me when I was much younger "Sandra.. live your life like Constance, fling your care to the wind and let the Lord of Fortune guide your helm" She was right! Lots of happy memories of Aunt Flo. Love Sandra. Gordon and Sarah MacDonald

“ I was very sad to hear of Aunt Flo's passing. She was a force of nature and always had the most interesting perspective on just about everything. I have so many good memories of lunches and laughs. She truly lived life on her terms and she will be missed. All my love Donald x.
