“ Iain my old friend life has gone by so fast my head spins sometimes... growing and coming of age with you from Jesse Ketchum and Nothern Secondary School, to the post secondary years and descending into our 30's with joyous times spent up north at many cottages and venues with all our old chums then some years of separation as we all seemed to focus on our careers but never forgot about each other... My friend it was great reuniting @ The SARS concert with you and friends that hadn't seen each other for decades My old friend I am deeply saddened from hearing of your sudden passing you were a positive uplifting man that made many people feel happiness with laughter when you entered a room!!! I will miss you immensely and always have fond memories of all the shenanigans we partook together RIP Scooby

“ Words cannot express how shocked and saddened I am to hear of your untimely passing. Iain, you were such a good friend. You always had a great sense of humour and kind heart.
The memories we shared I will never forget. The great parties and concerts we all went together to, I will cherish.
Over so many years we found time to get together and reminisce over the many great times we had.
Good bye for now, old friend.
You will be sadly missed.
Condolences and Much Love to your Family.
Julie

“ We did not see you close your eyes,
We did not see you die,
All we knew is you were gone,
Without a last goodbye.
It was a sudden parting,
to bitter to forget,
Only those who loved you,
are the one's who will never forget...

Iain, you treated me like a sister from the moment that we met, I will never forget the times we shared, and the memories we made..I love you Iain, I will miss you....Until we meet again Brother...

Sister....
