JEAN J. FELICIEAN

JUNE 03, 2020

It is with deep sadness that I announce the passing of my best friend Jean.

To articulate the loss of Jean from my life is difficult to put into words. She is someone that I connected with from the moment we met. Jean exemplifies what it means to have a true friend - she was a beautiful person in every way.

Jean had the wonderful opportunity to travel the world. She visited places that she once said "I only dreamt about" Exotic countries such as Japan, China, Singapore, Mexico, Netherlands, Senegal, Sierra Leone, Panama and so many other destinations throughout the United States and the Caribbean. Jean was an excellent travel partner who would always go with the flow and enjoy every travel experience to it's fullest - with a glass of white wine, of course! She used to say that she would try everything at least once - and she did!

Jean was born in Port of Spain in the Republic of Trinidad & Tobago. We quite often traveled to these two beautiful islands as well. I enjoyed hearing about her childhood stories in Trinidad, especially about the special times she shared with her favorite brother Mathew. Fortunately, while Jean was still able to travel, we took one more trip to T &T, so that Jean and Mathew could go up to Mount St. Benedict to light candles - that was such a memorable day!

Jean will be missed by many who knew and loved her. Her brother Mathew and wife Thelma, her friends Googly Eyes, Gehmebo, Gladys, Froggy Girl and of course, Joan (the windmill lady) who regularly called Jean in the hospital. Also, many nephews and nieces in Trinidad and also her God daughter Karen in Atlanta, Georgia USA.

Jean, I will always remember you, my precious friend. When I have a difficult day missing you, I will look up at the sky and ask "Which part you is?"

Rest Easy, Jeannie.

Until we meet again,

Gentle Giant

A Celebration of Life will be held at a later date in Trinidad.
