

John Mercer

April 27, 2018

It is with great love and sadness that we have to say goodbye to my father, John Mercer. John passed away after battling cancer on April 27, 2018 at Princess Margaret Hospital with his family by his side. He now joins his mother, Huguette Mercer, and father, George Mercer. He will be greatly missed by his daughter Jessica Buttars, son-in-law Adam Buttars, his two grandchildren Colton and Caleb, ex-wife Karen Dillon with Christine Williamson, in-laws Betty and Carman, his baby sister Lisa Mercer with Lillo De Simone, niece Tabitha Greco, older sister Susan Mercer, nephew Shane Raymond with Marsha Grant and their two children Casey and Lance, and close family friend Janet Arsenault. Many close friends and extended family, too many to list, will also feel the void.

John was born in 1963 in Toronto, Ontario where he grew up for his whole life. He loved the city, loved riding his bike all over Toronto especially along the Humber River where he would watch the salmon jump. John loved visiting Japan where he would spend time with many friends. It was a home away from home for him. He adored being a grandpa and enjoyed his tradition of taking the boys to the Blue Jays games. John also had such a love for music, especially classic rock.

John had a long career of 34 years at Krugarand Corporation at 80 Bloor Street West. He worked alongside his best friend Joe for the past 26 years. They shared many special times together and Joe was considered the brother he never had.

John was a funny, kind-hearted man who was loved by people all over the world. He loved taking the time to show his friends all of his favourite spots in Toronto, and other areas of Canada. He was an extremely smart man who taught people what he knew about astronomy. He developed a love for the universe at a very young age.

Cremation has taken place and a celebration of life will be held at the Royal Ontario Museum (ROM) on Saturday, May 12th between 1:00-4:00p.m.

“ I will miss John very much. His humour, his love for the game of football, and for the Pittsburgh Steelers is which how he became such an amazing friend to my mother and I, and a father figure to me. I will be twirling the Terrible Towel for everything you've done for us. We love you very much, and we will miss you.

“ I was deeply sad to hear about John passing away. I met John a few months ago when I started working at 80 Bloor Street West. He gave a me a very warm welcome with his smile, kindness and encouraging words. Even though I only had a chance to know him for a short time, I will always remember his great sense of humour and the positive energy around him.

“ While Working at 80 Bloor I had the great pleasure of working with John and got to know him on a personal level. He loved his daughter and car racing not equally but both were close to his heart. I am deeply saddened that John is no longer with us as those closest to him will miss his humour and love for life.

“ We were good friends with John for over 15 years, we were neighbours for 7 years, we always kept in touch. We share good and bad times together. We laugh a lot together and share good music too. He really was a true Torontonionian, we share the love for the streetcars and photography. We use to talk about everything. We will greatly miss him.

“ You will be missed more than you know my dearest friend. A friend for 35 years and father to our daughter Jessica. We shared a lot of wonderful moments and you knew the importance of laughter for the soul. You were a humble & kind man and although you're in another place, I'm confident we'll meet again my friend xo

“ My brother John. There are so many things that I will miss about him. Especially his quick wit and his ability to make almost anyone laugh no matter what the situation is. I will always consider myself fortunate to be his sister. For those of you who didn't know him there is no explanation, for those of you who did, no explanation is necessary. I will miss you so much and love you always John. Your baby sister, Lisa.
