

Kelly Legere

July 4, 2021

October 29th 1968- July 4th 2021

It is with heavy hearts that we announce the passing of Kelly after her battle with kidney cancer. She was dearly loved by her husband Steve, a proud Mother to her children Kayla and Kyle and the best Nana to grandchildren Owen, Dezirae and Axl. Kelly valued her family very much and will be fondly remembered by her four brothers Bobby, Eric, Johnny and Reggie, her Mother Maureen, son-in-law Kevin, stepchildren and family, along with many cousins, nieces and nephews all whom she loved very much. She also had many close friends who she cherished greatly.

Kelly touched the lives and hearts of everyone around her with her kind spirit. She was a positive light for all of us with a great sense of humour. Kelly was always there to put a smile on our faces. She will be missed but never forgotten.

A celebration of life will be held at a later date.

“Those we love don’t go away,
They walk beside us everyday.
Unseen, unheard, but always near,
Still loved, still missed,
And very dear”

“ What can I say about my magotty ol' Maggot.

Kelly was my cousin and dearest friend. Not so much friends when we were kids, as I am few years older, but later when we were both adults.

We started spending a lot of time together when she came home to Newfoundland from Toronto in 1988 when she was pregnant with her first child. I was honoured to be asked to be the Godmother of her daughter Kayla. She moved back to Ontario few months or so after Kayla was born, I followed 2 years later, and rest as they say is history.

30 years of memories. Way too many to list, way too many to even remember. There were nights out, concerts, sporting events, family gatherings and parties, birthdays, holidays, weekend trips up north, even vacation back home together. So many fun times.

Yet, through them all we both knew our relationship was so much more. Life is not perfect, there are times when we really need a friend. She was that friend to me. I hope I was that friend for her. Kelly had the kindest heart, the warmest soul, and the craziest sense of humor. She would do anything in her power to help you out if you were in need, but would mercilessly laugh at you if you did something stupid. Like the time I slipped on ice coming out of her friend's house. There I am sitting on the step, thinking I'm gonna puke from the pain. There she is, a few feet away, turning blue from laughter. Come to think of it, maybe she wasn't that great a friend afterall.

I will miss you terribly, my friend. Rest in peace until we meet again and start up the party in Heaven.
