February 14, 2021

It is with great sadness that the family of Kelly Patricia McIntyre announce her passing on February 14, 2021. Her loss was sudden, and unexpected. Her memory will be cherished by her immediate and extended family, as well as friends and colleagues from all walks of life.

Kelly will be remembered fondly for her love of dogs, her playing competitive Ringette in her youth, and for her career with TD bank.

Kelly also loved the cottage way of life and had plans on retiring to the family cottage one day.

“ So sorry to hear that Kelly passed away, We had a lot of great times in Ringette, she was one of my players on our Provincial team, a referee, a coach to the younger teams and all around a great person to have around, lots of laughs and smiles all the time. “ Kelly will forever be remembered as a great friend and coworker. Monday's in the office would never be the same without a story from Kelly on how she bumped her elbow on the wall or her adventurous walks with Toby (I think if I recall correctly the name of her dog), visiting her parents, or just mystery small bruises that she tries to figure out the whole week on how she got them ... until the next weekend comes again. Kelly treated her coworkers like family and would always come around every morning to see each one and have good laughs. What a lot of people may not know about Kelly is that... she's very active! Every week, she would go for a “run.” Now you may think, wow! No wonder she's so fit. I do have to clarify, Kelly's “run” is a trip to the Wine Rack inside the Wal-Mart and stock up with white wine. I would always go with her and just have the most random conversations as she is such an open-minded person... and share good laughs! That's the thing about Kelly. You can ask each person she has worked with and I guarantee you, they will have at least two great/funny memories with her. I'm lucky to have more than that. Kelly... I know I promised you that I will invite you over to my condo after COVID as you were wanting to see it since I got it... we had plans to hang out at a pub as we're practically neighbours... I'm very saddened that we didn't get to do all those things... but know my friend that I will forever cherish our great memories. Thank you, Kelly.

“ We really have lost such a vibrant, sincere and loving soul. Kelly was a member of our team or rather family at TD and was liked by colleagues and customers both. She had an energy about her and was such a positive person. She was loyal and committed and also full of joy! I will remember her time in the office so fondly and also some great chats we had! She was a pleasure to work with and certainly will be missed by myself and the whole team here at North York.

“ I will fondly remember the fun times at the cottage. Walks in the woods, Thanksgiving dinners, jumping off the break wall for a swim, and just hanging out by the water. I'll miss you, Kel.
