

Kevin Wayne Burry

April 12, 2017

Kevin Wayne Burry passed away suddenly on April 12 2017 at the age of 63 years. The son of late Artno and Ruby, loving father to Charlene and Brent, and also proud Grandpa to Wesley. Kevin was a hard - working man who always took pride in the work he enjoyed. He will be remembered for his dedicated years to his career in the automotive industry- and his amusing sense of humor amongst family and friends. A man that left a tremendous mark on each and everyone's lives- who shall never be forgotten. With many great memories that will forever be still in our hearts.

The day the angels took you home~

A million times

I've needed you

A million times I have cried,

If love alone could have saved you

You never would have died.

In life I loved you dearly,

In death I love you still.

In my heart you hold a place,

No one else can ever fill.

It broke my heart to lose you,

But you didn't go alone,

Part of me went with you,

The day the angels took you home.

“ *Final moments of my life that I unfortunately could be there. I have to save myself and son a be the best person I can be from here on out . Cause that is best for Wesley and I know you would have wanted the same for him. I enjoyed our last meal together even though it was brief. I enjoy the UFO pizza place that was delivered to me the other night. And the man that delieved it looks so much like you. The same mannerisms and character . Maybe that was you but I will never know for sure but I like to believe it was you knowing to cross over and your time to be at peace ...*

You just wanted to check up and make sure I was healthy and okay to be without you .. but I will always try to make you proud and Wesley your only grandchild. He is a reflection of the miracle boy that saved my life and gives the will to be the best mother for him xxxoxo

“ *The Angel's are ready to take you home soon I promise and you will rest in peace and you don't have to keep running to stay alive . You can be a free as you always deserve to be free from the demons inside you . Your life will go on in memory and spirit with the ones that loved and cared about you the most. You think that noone cared or loved you !!! But anyone they crossed paths with you , you have made significant difference in anyone's life . You had the energy and the will with the ones that loved you. But unfortunately you were told that you were not worthy as a person and worthy of love !!! Are you are worthy cause I believed in you and Wesley believed in you and other family members and friends did too!!! I love you always Dad you will never leave my heart and will always be remembered! Thank you for teaching me and inspiring me to never give up! You said too me many times... You are a Burry and Burry's don't give up !! We stay strong and fight till the end of day when its time to cross over and say goodbye xoxoxo ♡*
