

Laurie Hustler

January 17, 2021

We are sad to announce the passing of our dear sister Laurie at her home on Sunday, January 17, 2021 due to health complications.

Laurie spent the latter part of her business career as an event planner. In retirement, she used her talents to help plan weddings and other events for her relatives and friends. She made every family gathering a special event, whether it was a lunch with one of her nieces or a fancy holiday dinner.

She will be greatly missed by her brother Allen (Isabel) and sister Julie (Colin) Maher, along with her five nieces and nephews and their children. She was predeceased by her parents, Lawrence and Margaret Hustler of Agincourt, Ontario.

A celebration of Laurie's life will take place later this year.

“ My condolences to you all. Laurie was a generous, kind, loyal, and thoughtful friend whom I had the good fortune to meet at PW in 1997. We became close friends and shared several day trips to fairs and weekend trips to Don's and my cottage, the Finger Lakes, Niagara and Picton. I shall treasure her friendship and think of her often.

“ Laurie and I spent a weekend touring Prince Edward County in 2017. Took in wineries, markets, restaurants, beaches. Wonderful trip. Notice her back is always to the camera.

“ Work brought Laurie and I together (PwC), but it was Laurie that was so good at keeping in touch...especially through the years when my kids were little, she got me out of the house, we had lunches, talked about "grown-up" things, reminisced about work (groaned about work too) and laughed at some of the news we'd each share about people we both knew. She will be missed, that's for sure. When my boys were little we visited Laurie at the "farm" as we called it. I loved the farmhouse, we enjoyed sharing renovation and decoration ideas, talking about reupholstery, refinishing, and painting, and she knew I loved to watch HGTV shows, so we often talked about those. We had such a nice time that day, I remember it clearly, it was a beautiful spring day in March. She was healthy then, and I think the photos shows it. This is the Laurie that I will remember the most.
