March 31, 2020

After a long battle with kidney and heart diseases, Lucille Henry passed away on March 29, 2020, at Lakeridge hospital in Oshawa. She will always be remembered fondly by her children Mike, Andrew, Kimberley, her adopted daughter Shelly, her grandchildren Shanel, Matthew, Mikey, Brandon, Hateya, Shian, Elijah, her great-grandson Benjamin, and her only sister Christine.

Lucille always treated people with the utmost respect and dignity, regardless of what walk of life they came from. She had a special way of making all the people who crossed her path feel welcomed and accepted. Her ability to love was limitless and she will always be remembered for it.

Lucille continuously made herself indispensable to her family and community, she was a caring person who was always willing to help at a moment's notice. She was a very strong-willed woman who lived her life as if the glass was always half full! Her famous talk sessions over a cup of coffee, and her positive advice will be missed by many.

“ My heart goes out to Mike, Andrew, and Kimberly and her entire family. We lived next door to you guys for years in Parma Court and I have fond memories of her, She always had a smile on face and was extremely friendly. I hope you can draw strength from each other at this difficult time. Rip Lucille Henry aka Bonnie

“ There was nothing in the world better than her great talks.. I could sit for hours and hours speaking to her about everything. Always there for me whenever I needed her. Even if I didn't see her for a while.. My best memory of her was walking around the neighborhood with my newborn son Ashton just bragging to everyone she met about her new addition to her family! I will miss you immensely.. My Mother. I owe you my whole life. I love you and I will see you soon.
