June 13, 2020

It is with great sadness we announce the passing of Marion Owen on June 13th at the age of 77 after a courageous battle with lung cancer. Loving daughter of the late Gladys and Phillippe Jacques. She will be dearly missed by her husband Jim Connors and her beloved children Vicki (Shawn) and Phillip (Dianne); adoring grandchildren Emerald, Jake, Jesse, Shayne, Joey and great-grandchild Phillip. Predeceased by her siblings Grace, Phyllis, Millie and Bill, Marion also leaves behind her brother-in-law Jerry, caring nieces and nephews, extended family in Newfoundland, and her cherished fur-babies Mickey & Minnie. She will be fondly remembered by her friends from aquafit and Holy Name Catholic School Toronto where she retired as school secretary in 2012, and the many lives she touched as a generous and caring person. Marion was a successful real estate agent & broker; an avid gardener and talented seamstress who took pride in producing creative pet attire. Cremation has taken place. If desired, donations in honour of Marion are greatly appreciated, and can be made to either of the rescue shelters close to her heart: Purrfect Companions of Norfolk or Golden Rescue. “ It was with great sadness that I learned that Marion has passed. Although I have only known her for a few years, she has always been such a warm, caring, kind and generous lady and I will deeply miss her. We met at a Golden Rescue picnic, where I bought a couple of her lovely, hand-sewn bandanas for my 2 goldens and our friendship grew from there. Marion donated dog bandanas to each of my fosters I cared for through Golden Rescue, as well as my own 2 goldens. She was so thoughtful and planted a lavender plant in memory of my golden Chloe. That just shows what a wonderful person Marion was, and how she made the world a better place by her thoughtfulness and frequent acts of kindness. I have made a donation to Golden Rescue in memory of Marion. My deepest condolences to Marion's family and friends. You are in my thoughts and prayers.

“ Words cannot begin to describe the sadness I felt at hearing of the news of Marion's passing! Not only was she a great office administrator for St. Brigid's school but she was a generous, kind and loyal friend to so many people. I am truly sorry that I allowed my own personal problems of the last five years to lose touch with this great lady!

My deepest condolences to all family members! I will keep all of you in my thought and prayers! Rest In Peace Marion!
