

Marjorie Ionie Bromfield (née Sloley)

June 11, 2020

Marjorie Ionie Bromfield, (née Sloley January 17, 1926), left this world peacefully at the age of 94 on June 11, 2020. Predeceased in 1999 by her husband Stanley, Marj will be deeply missed by daughters Andrea and Dale, grandchildren Jackie, Matthew, Ivo and Asia, great-grandchildren Isaac, Asa and Mia, as well as countless extended family and friends.

To meet Marj was to never forget her – those dancing green eyes, beautiful smile and delightful personality would light up a room. Her humorous stories of growing up in Jamaica, then life as a working mom and wife in Toronto, would entertain her listeners. To know Marj was to love her. Many have been blessed by Marj's positive spirit, kindness and generosity – listening to her singing a solo at her beloved Kingston Road United Church, or receiving a word of encouragement, wise counsel, a thoughtful gift, financial support, or shelter in her loving home.

As our family's affectionate matriarch, Mom/Gamma/GG has left a void, but also a legacy of love and devotion. In lieu of flowers, donations may be sent to the Canadian Cancer Society.

It is with gratitude that we remember the loving care the staff of Fountain View gave to Marj during her last days. We are also grateful for the heartfelt words and faithful prayers of all who loved Marj; they have comforted us during this difficult time. Please share your comments, memories and photos on Marj's Tribute Wall. Thank you.

“ Our deepest condolences Andrea and Dale, grandchildren and great grandchildren. Marjorie was a vibrant and loving woman with a wonderful sense of humour. She and Stan loved to share their Scarborough home and also Marstan Villa in Jamaica. We had a wonderful holiday there with our family. Super memories. We will miss Marjorie's twinkling eyes, infectious laughter and beautiful voice. Go well Marjorie and rest in peace.

“ I fondly remember Dear Aunt Marj's lovingkindness to me, and my mother Katy, her cousin, as she was like a second mother to me at that time when I was a child growing up in Canada.

Upon returning to Canada as a young adult, I lived with Aunt Marj and Uncle Stanley, and was made to feel like a part of the family. I was embraced with love, support, and much encouragement in adapting to the culture and lifestyle in Canada.

Aunt Marj was a very devoted wife, mother and grandmother, who always made time for her extended family members and friends whether here in Canada or Jamaica.

Another quality that I admired greatly about Aunt Marj is that she was very passionate about "Jamaica", her "land of wood and water" where she cherished many fond and happy memories of growing up at "Little Worth" in Westmoreland Jamaica.

With fond Memories & Love,

Diane M.

“ I loved Marj. She was always a huge supporter of my family's music - especially my daughter's. I took Marj to a couple of concerts of hers, and she was always glowing with pride, as if my daughter was her own grandchild.
Marj was a lovely, gentle soul who adored music - especially music with a beat!
I am so glad to have known her and will miss her.
