

## Marsha June Richler

November 15, 2020

Marsha June Richler (née Decker) June 28, 1945 – November 15, 2020. Born in La Tuque, QC. Predeceased by Earle Decker and Annette Decker (née Duchesne). Marsha died at home, in Toronto, surrounded by her family and her dog, held by her children until her last breath was taken – just like she wanted it to be. Marsha June leaves to mourn her two adoring children, Dvorah Joy Richler (Steve Halpin) and David Jonathan Richler (Kim Mackay), as well as her two grandsons, Noah and Samuel Halpin, who were her biggest fans, and Kugel, her partner-in-crime poodle. Marsha also leaves siblings Don (Le Nga), Chris (Jenifer), Karla, and Louise (Gerry), numerous and adored nieces and nephews (who called her Tante June or Auntie Marsha, depending), several great nieces and nephews, beloved cousins, and long-standing friends.

Everyone would agree Marsha June was an undeniable class act. She was an uncanny conversationalist, super-spreader of laughter, adopted daughter of Newfoundland – her true home. Montrealer, New Yorker, Torontonion, Italophile, world traveler, debrief scheduler, lover of dogs (with extra wuza wuz), amateur veterinarian, pro last-minute Halloween costume designer, unabashed champion of bilingualism. Restaurateur, master chef, risotto pedagogue, cookbook archivist, designer of kitchens, baker of challahs, ambassador of knishes, wielder of corkscrews, and killer of plants. Political activist, voracious reader, collector of art (particularly finger paintings), patron of theatre and opera, sudoku Queen, Elvis fan, and puppy video enthusiast. She was a re-inventor of herself, generous to a fault, and kind to everyone. Her most important role to her was raising her family and her grandkids, and she did a bang-up job. She loved deeply, and was deeply loved.

Marsha was taken from us by pancreatic cancer, cruelly and rapidly. The family is grateful to Dr. Joshua Wales, her nurse Katarina Berta, and the entire team at the Temmy Latner Centre for Palliative Care. We also thank the Palliative Team at Princess Margaret Cancer Centre (Dr. Patricia, Tharsika, Lorna and team), and Dr. John Kim and his radiation team. In memory of Marsha, we invite you to donate to either the Temmy Latner Centre, or your favourite dog shelter. As well, please share a piece of toast with your dog today in honour of our Mummy. Memorial service to be held in Brigus, Newfoundland, in 2021.

Mini Mummy Marsha – we love you more than words can tell. Magnifico!

“ Our deepest condolences to Marsha's family on the loss of such a wonderful woman. Over the years that it was our pleasure to know her, we saw up close what a marvelous grandmother she was to her beloved grandsons, Noah and Sam. Having travelled widely and read voraciously, she was also a great dinner conversationalist.

We had a wonderful time and saw so much in a short time. The village of Panacale will never be the same, and neither will the nunnery in Rome! RiP Marsha my friend! Debbt King

*Dear Dvorah and Jonathan and all of Marsha's family, My deepest condolences to you all. I share your sorrow. My sister will live in my "deep heart's core" forever.*

*The Lake Isle of Innisfree by W.B. Yeats*

*I will arise and go now, and go to Innisfree,  
And a small cabin build there, of clay and wattles made;  
Nine bean-rows will I have there, a hive for the honey-bee,  
And live alone in the bee-loud glade.*

*And I shall have some peace there, for peace comes dropping slow,  
Dropping from the veils of the morning to where the cricket sings;  
There midnight's all a glimmer, and noon a purple glow,  
And evening full of the linnet's wings.*

*I will arise and go now, for always night and day  
I hear lake water lapping with low sounds by the shore;  
While I stand on the roadway, or on the pavements grey,  
I hear it in the deep heart's core.*
