

Mary Margaret Whitehouse

February 9, 2021

It is with deep sadness we announce the peaceful passing of Mary Margaret Whitehouse on February 9, 2021.

Wife to Kenneth James Whitehouse, mother to John (Becca) and Ann (Ryan) and Granny to Emily, Sarah, Charlotte, and Liliana. Sister to Janet, Tim, and the late Joseph Paul.

Mom wanted us not to be sad, but to remember the memories of the good times we all had together. From her wicked sharp sense of humor, the respect she treated all people with, and a heart full of love which was always overflowing and pouring out. These are the memories we all share.

She was a proud supporter of her family, the Arts, and the equality of all people. When needed she was a friend, a mentor, and a mother to anyone who needed one at the time.

Her Legacy will be the passing on of values, support, and compassion which she instilled within her family and her friends.

She made the world a better place.

At mom's request, there will be no service.

In lieu of flowers, Mary would ask to please make a donation to a charity of your choosing which will help those who need it, and to be kind. Always.

“ We send our deepest sympathies for the passing of your Mom who was always known as "Mickey" to us. We all have very fond memories of her laughter, humour and indeed her kindness. My mother, Helen Coxe, will miss her dearly. May she rest in peace.

“ Our deepest condolences on the passing of your mom. I have such fond memories of times together when we were young, especially our camping trips. I will never forget your mom's laugh. May you all find some semblance of peace and may Mickey be happily reunited with your dad.

“ John, Ann and the rest of the family, our deepest sympathies are with you during this most difficult time. Aunt Mickey was a wonderful lady, with a terrific sense of humour, and an infectious laugh. I don't think we ever saw her, that she wasn't smiling and laughing. So, so sorry for your loss. If you need anything, don't hesitate to let us know. Love and hugs to all, Uncle Roger, Aunt Alice, Shelley & Amber.
