

Matthew Carl David Ebisuzaki

December 11, 2019

Matthew Carl David Ebisuzaki 1973 to December 11, 2019. Matthew passed away as a result of complications of a liver and kidney condition that he battled with courage and dignity.

Matthew was a loving son to his mother, Jean Elizabeth Ebisuzaki Misener and his father Herb Ebisuzaki.

He is survived by his brother Andrew and sister in law Brenda and proud Uncle to their children Adam and Kristen. He had many memorable outings, fishing with his uncles and their families Larry, Mike, Rick (Joanna) and Don Misener (Bonda).

Matthew left Toronto banking to manage a department in an Investment company in Vancouver and Calgary. With the failing western economy he returned home, joining the movie industry as a driver with his lifelong friends Doug Warren (Julie), George Mantis (Joanna), and Chris Riedinger (Lee Anne). He truly returned to his roots embraced closely by his extensive family and friends from birth.

His love of sports was fostered through an Ontario Championship in hockey with the Greater Toronto Hockey League. From amateur to professional, his sport's passion was only matched by his love for fishing. Few things pleased him more than cottage life, a day on the water with his family followed by their company in analyzing that night's game.

Matthew's welcoming personality was often shown with his culinary touch preparing that special recipe to make you feel comfortable and appreciated. We will miss his sports predictions, flaming BBQ, and hockey pools but most of all we will miss his friendship.

A special thanks to Lakeridge Health Oshawa's Critical Care and Acute Care health professionals for their care, commitment and support and also to Aftercare for their guidance and assistance.

“ Mattie, my friend and neighbour. I'll always miss us running up and down stairs to hang out, share food and watch movies. If I needed lip balm or broccoli, you had my back. Never cared for your sunflower seeds but ok! Missed you at my New Year's party this year, so much but we had a toast for you. You are loved and missed. Until we meet again

“ I am so sorry for your loss! I worked with Matt when he first came to Vancouver years ago. He is remembered fondly and most especially for his big grin.
