“ We never had the chance to meet and I'm so very sorry for that. May your lasting memories be of those cherished family and those you loved and loved you. May you ever lasting memories be with your loving daughters and your short, but very special times with Andrea. May you rest knowing Andrea will always be looked over and cared for with full hearts.....RIP to a wonderful man I never got to meet xx

“ Rejean has been my Brother-in-law for about 22 years so I really got to know him. He was a very good friend and co-worker, who was both giving of his time and resources to anyone who asked for them, or, who needed them.

We shared many a joke and antidote over the years sitting in each others cars at the airport compound, and on many occasions cured the world's issues, both small and large. I will miss those times.

Rejean was very handy with tools and could swing a hammer with the best of them. Anyone who ever had close contact with Rejean was almost assured to get a renovation of their kitchen or bathroom done by him weather it needed it or not, he was that kind of guy.

We owned a sailboat together for a while and Rejean was never afraid to tackle any repair job; fiberglass work, crawling down into the engine bay (and getting stuck and freaking out) or climbing the mast to fix a light. We had a lot of fun for many years working on that boat.

It is with great sadness that I say goodbye to Rejean (for now) as I will miss his friendship and brotherhood.

Farewell my friend, may you be at peace in the arms of God. Until we meet again.
