“ Rick was an incredible soul with a contagious laugh, but what I will remember most about Rick was his compassion for people. He helped me see that life could be great if I was willing to work for it, and that there was never a good reason to let yourself down, only excuses. He helped me in so many ways, just by being there, by laughing, listening, sharing and understanding. I will miss you Rick.
“Tomorrow the sun will rise, either in splendour or behind a mask of clouds, but it will still rise”

“ Rick will be missed by many. Pride eased by his father Gerard, mother Melvina, and brother Timmy. He leaves behind brother Gerry, sister's Donna and Tammy, along with their families. Rick was a friend of Bill's for 28 years. Rest In Peace Ricky.
