

## Sonny Young

December 14, 2020

Ngar Sun (Sonny) Young, went home to be with The Lord on Monday, December 14, 2020 at the age of 87. Dear husband of Patricia (nee Wright). Caring father of Richard (Susan) and Katherine (Rob). Proud grandfather of Christopher and Tommy. He was predeceased by his parents Charles and Eileen Young, brothers Arthur (Anne-deceased), Bill (Betty), Erle (Florence) and sister Margaret (Richard Wong-deceased). He will be missed by surviving siblings Jimmy (Barbara), Bob (Joyce), Clancy (Val), George (Terry-deceased), Lloyd (Alannah-deceased) and sister Dorothy as well as his many loving in-laws, nieces and nephews from both the Young and Wright families.

In the early 1980s, Sonny studied 3 years for Christian Ministry. Upon graduation as an ordained minister, he waited on God to find his calling. He did minister to individuals and spoke at several gatherings. He loved The Lord and is now in His presence.

A special thank you goes to the 8th floor staff at North York General Hospital whose compassionate care helped Sonny through his difficult journey with pneumonia. A memorial service and interment will not take place at this time.

In lieu of flowers, donations to PWRDF Water Project in Indigenous Communities in Canada or North York General Hospital would be appreciated.

“ I remember the Xmas Pauline was 7months old, and our family went to Pat and Sonny s for dinner. Sonny had decorated the Xmas tree with the most expensive and beautiful Xmas ornaments I have ever seen. After having had such a difficult childbirth that year, the tree was such a glory to see and it madee feel so good just to see it I knew Sonny had outdone himself that day.

“ Sending so much LOVE and Deepest Condolences to A.Pat & all affected at this time.

Thank you U.Sonny

Your laugh and warm smile will always permeate my memories of growing up in this large connected family. Your generation all collaborated beautifully for us to grow up in a dynamic loving environment, giving us the security, encouragement, curiosity, & challenges, to reach further than even we have yet to discover possible.

May you rest in peace, sent along with many blessings, and angels nearby to aid you in this next stage in your journey.
