“ Stephen was a great musician and an incredible artist! I remember his drawings as a kid were stunning. One in particular was of the Beatles and another one was of a Maco shark that he was so proud of and so he should have been. He had a mischievous way about him, performing dare devil stunts and laughing them off with his devilish laugh, like when he dressed up as "Kiss" with all the makeup and proceeded to blow flames out of his mouth. What a character! He had a heart of gold and would do anything for anybody. He was also a troubled soul who struggled throughout his life but always faced his adversities head on. Unfortunately you were tragically taken from us way too soon but you are now in the loving arms of your Mom again. There may you find the peace you deserve. We will always love you and never forget you.

“ It is with a sad heavy heart to announce the passing of our beloved brother Stephen.

He will always be remembered for his kind, gentle soul and his gifted love for the arts.

Stephen had many talents, and was a skilled artist and drummer. He was a life long fan of Aerosmith and was thrilled to have the opportunity to meet them.

It was a sudden loss and we trying to find comfort in knowing he is with our beloved mother that always held a protective place for him in her heart.

Due to the Covid 19 pandemic a Celebration of Life will be held in the summer months once permitted.

Much Love and Thanks,

Brenda St. Amand and David St. Amand
