“ Deepest Condolences to all the family. Your loss is my loss also. 50 years of friendship..I was so blessed to have Teresa for this long. I can't begin to explain the roads we've been down together. One memory is Teresa singing Shine on Harvest Moon and dancing at La Garage in Yorkville when we worked at the WSIB together and met there. Had lunch everyday together. So many memories flow but her tenacity to do life her way..is admired! Teresa will be missed and I know that heaven is a beautiful place because it has her. It is my turn to go on alone this road called life. Miss ya already TJJ! xoxoxoxo Love from all the McMahon family.

“ Sharon, Thank you for this beautiful memory. It meant so much to me that you were able to spend time with her. You spending time at the apartment put a smile on her face. You spending time with her in the end was comforting for me. Thank you
