Tiny Deeder (nee Hoofwijk)

February 15, 1929 - December 30, 2020

Tiny passed away peacefully at the Fountain View Care Community in Toronto at the age of 91 years.

She is survived by her children, sons Andre (and Linda), Joe (and Sue) and her daughters Marjo (and Henk), Tonnie (and Don), Margaret (and Gary) and Liz (and †Mike). Tiny was predeceased by her daughter Joanne. She will be fondly remembered by her many grand children and great grand children.

Tiny was born in the Netherlands and lived most of her younger years there raising her children. She was brave enough to immigrate to Canada in 1967 where she adapted quickly to a new life and learning a new language. She worked hard to provide for her kids, all the while being a loving and devoted mother. She loved to garden and many passerby's would stop and admire her beautiful flower beds and well kept lawn in the neighbourhood which she lived in Toronto. She loved to play Bingo, do word search puzzles and go for long drives to visit her children.

Tiny will be greatly missed and remembered as someone who devoted her life to her children. She was very proud of all her grand children and great grand children. A special thank you to all the staff at Fountain View Care community who took great care of her during the past few years, and everyone who has given their love and support to Tiny's family.

Due to Covid-19 restrictions, a celebration of life will not be held at this time.

“ Bij deze wil mede namens mijn familie jullie veel sterkte en kracht wensen bij het overlijden van jullie moeder grootmoeder en overgrootmoeder
Mijn naam is Ger Hoofwijk en ik ben een zoon van haar broer Frans.
Wij hebben helaas nooit contact kunnen hebben maar in gedachten zijn we toch bij jullie.
Nogmaals probeer tante Tiny maar in gedachten te houden door over de positieve gebeurtenissen in haar leven te mijmeren

“ My strong little Oma has always been a fighter. I have fond memories of her as a child going up to Barrie to visit with family and watching the blue jays at her apartment. She was a bargain shopper that would stock up on necessities like toilet paper and share her finds with my mom. Funnily enough, my mom now does the same thing with me. She took an immediate liking to my now husband Allistair and even enjoyed tickling his beard! I loved to see her smile! She will be missed! Rest easy and Go Jays Go! Xx

“ My fondest memory is when we would take her to Bingo! That was so much fun. Mom didn't enjoy too many things in life but she did love going to Bingo. I also remember all of us getting together at her place and hanging out in her kitchen many Sundays. We had some good laughing sessions. I will miss her dearly.
