Violet Catherine Harvey passed away on December 16, 2019 in Hamilton, Ontario. Violet will be sadly missed by family, extended family and best friends Heather and James McMurray, Susan McMurray and David Langille, John Correia, Dannielle McMurray and Kevin Spjuth & family, Nicole LaRoche and Brian Parsons, Alexander McMurray, Megan Sheraton Langille, Anita McMurray and Armand Guilbeault, Leila McMurray and Tim Gasparini, Robyn Lakey and Scott Powers & family, Charmaine LaRoche and Ricky Viveiros, Shane LaRoche & family, Edna LaRoche, Mario Machado, and other great friends from all of Violet's different life paths.

Violet was born in Toronto on February 28, 1956 to Margaret Olivia Harvey. Violet also lived in the Colborne-Castle area where she will be missed by long-time friends, in Ottawa, and most recently in Hamilton which she loved instantly.

Violet was a strong and independent woman, determined to show others the ways they could live life on their own terms. She had a bubbly personality that drew people to her. She opened her home and her heart to those from all walks of life, embracing others and creating family wherever she was. Violet was often happiest when she could bring together family and friends for celebratory meals.

Cars were a key part of Violet's life: helping the boys change car engines as a teenager, being the first woman in eastern Ontario to pump gas, holding service advisor jobs at numerous car dealerships, and travelling Canada and the US to train dealership staff as part of the Reynolds & Reynolds team. Skiing, baseball and golf were some of Violet's pastimes; she loved a good game of scrabble or crib; and gardening was one of her true joys, nurturing roses, peonies, clematis while listening to her burbling pond. Violet took her politics seriously and was a proud NDP member. The highlight of her commitment was driving for Jack Layton in his final election campaign.

We give enormous thanks to the staff at Hamilton's Juravinski Hospital. Their care made Violet more comfortable, occasionally brought a smile to her face, and helped us leave her bedside at the end of each visit hopeful and knowing she was not alone.

Violet's Celebration of Life will take place on Saturday, February 29th from 1 to 4 pm in the party room at 33 Gabian Way, Toronto. Please join us, wear something purple, and bring your favourite memory of Violet.
