I miss you so much my friend. Who else is going to play Monopoly with me for the ENTIRE day? I will keep my eyebrows done, cause I don't want you to cuss me. I also hope that God spoke to you about cheating in Monopoly...LOL. You're one of the sweetest, funniest people I had ever met. My heart is broken, but there is no one I would rather have watching over me than you. I love you dearly my friend. I promise to still make brownies on your birthday.

Love you Adam!!!

“ Good Afternoon,

My condolences for your loss.

I am trying to confirm if this Adam is my good friend. I have been calling him and texting for weeks. I have left my contact information with the funeral home. Can you please give me a call. Please.

Many thanks and my sincere condolences once again. I am so sorry to bother you in your time of grief.
