“ *Dear John
We only met briefly in May 2019 at the Mohs Clinic when the nurse called for 'John Sweetman' and two of you stood up. We chatted briefly with you and Agathe, but never managed to figure out how to reach you again.
We are thinking of you all at this sad time of your lives but know that you have many happy memories to help keep Agathe in your hearts.*

*With our deepest sympathy,
Marilyn and John Charles Sweetman*
