“ *I missed receiving my first Christmas card last year, my telephone calls keeping me up to date of what was going on in Canada and me telling her of what was going on in Barbados and Chicago. When 'Aunt Eloise' , my mother made a trip to Canada many years ago, Agnes took a bus and I think about two trains so that she could come and spend the day with us in Pickering. I am truly going to miss you and I pray God's strength for your children during this difficult time.*

“ Always thinking of doing something for others. Listening and sharing a good story and being neighborly. You pass on these gifts to your daughters and so you will live on in them. Thanks for the memories. May you rest in peace, see you in the Morning.

“ I would like to take this opportunity to convey heartfelt sympathy to the family and loved ones of Agnes, more specially Jan and Hortense whom I have known for many years. This is the first time I am seeing a photograph and what a beautiful woman she was! Now I understand how that beauty has transferred to her daughters and others who allowed his fragrance to perfumed and transformed their lives.

*Rest in the hope that the special memories shared will live in your hearts and continue to keep her close!*

*God cares, lean on Him, trust Him - He wants you to!*
