

Mrs. Agnes Marie Moreau

November 4, 2014

1916-2014

It is with sadness that the Moreau family announces the passing of Agnes Moreau. After a typically active and cheerful day, Agnes suffered a stroke. The following morning of November 4th, she went peacefully with family members by her side. She was 98 years of age. Beloved wife of the late Charles Moreau and loving mother of Ed, Reg (Jussara), Mona (Ernest), Rahna (Bruce), and the predeceased Willy (Eva) and Carol. Proud grandmother of Dean (Viviana), Jodi (Terry) and Chris, and great-grandmother of Tanner, Tate and Phoenix. Predeceased by her parents Ferdinand Cyr and Flore Cyr (nee Cormier) and her six siblings. Fondly remembered by Fede, and many nieces, and nephews. Agnes will be dearly missed and affectionately remembered by the many lives she touched: family, friends, caregivers, and acquaintances. Grateful for her love and support, we will cherish our memories of her. May her wonderful smile always remain with us. A celebration of her life will be held in December. For those who wish, donations in Agnes' memory can be made to the Alzheimer Society of Canada, the Heart and Stroke Foundation, or a charity of your choice.
