“ *Extending Deepest Sympathy in the loss of your Dad. I was fortunate to work with him for many years at the Oshawa General in his Administrative role. He was always very supportive and caring and we would often look back at our Nursing Training in the UK*

Alan was a long-time member of the Rotary Club of Oshawa-Parkwood. He was a quiet man with a great sense of humour. Our club has lost a good friend! We will treasure memories of evenings with Alan and Margaret. My sincere condolences to the family.

Dear Liz and family, I am very saddened to read about your dear Dad. What a wonderful life he had ! He always had such a positive impact on everyone he met. I am so happy I knew him, and thankful for his help along the way with admin issues. He would have been so pleased you and your Mom nursed as well. He watched you all grow, marry, and then he had grandchildren and great grandchildren. That was a true blessing. I know he was loved beyond measure. RIP Alan 🙏🙏 and love to you, Liz, and to all his family. oxo

My condolences to Margaret, Tim, Liz, Siobhan & the extended Nason family.

I have lovely memories of holidaying in Oshawa, summer 1986 & Alan and Margaret taking me to the tourist sites, including Niagra Falls, at the weekends. It was also a pleasure to meet them when they visited Ireland.

May Alan Rest In Peace, Mary (Bowes)
