“ *Thank-you for performing at my mother's birthday. Thank-you for allowing my girlfriend and I to park at your condo when we went to the Queen Street Festival. Thank-you for the tour of your adorable home. Thank-you for our animated conversations as I tried to convince you to make a dental appointment. You still owe me a walk on your beach. In another life, Alan. Thanks for being you. My life is so much better for having known you.*

*Fondly, Paula (from your former dental office)*
