

## Mr. Alan Murray Whitney

August 28, 2017

Al passed suddenly away on Aug 28, 2017. He is survived by his 2 children Joshua & Rachel and their children Ruby 11, Layla 10, Jack 6 and Lewyn 3. Al was well liked and had many friends from all over Canada. He loved the west coast so his ashes will be scattered in British Columbia at a later date. We will be having a celebration of his life in late October or November. He is missed. Rest in peace.

“ I will always remember Al as a smiling, jovial guy, who was the leader of our gang. He was always thinking up fun things to do. He introduced me to so many fantastic bands and would always gather as many friends as he could to attend concerts at Maple Leaf Gardens or Varsity Stadium, or to see movies like American Graffiti. Many fond memories are left behind. Al, I lit a candle for you today. Rest I peace.

“ Al was a true force of nature when he wore a younger man's clothes. He was the driving force behind many road and camping trips. He would get us all together and off we would all go to either a concert or a party. He would spend hours at every party reading and learning from album covers and could correct almost anyone when it came to the subject of music. He had a gentle soul and was well liked by almost anyone who met him. Poor health made his later years a bit difficult but Al soldiered on right until the end. He will be missed.

*These are the people who will miss Al the most. Our children Joshua 36 and Rachel 34. Al adored these 2 characters as I do too.*

*Hi Lori. I lost track of Al in our 20's. We were very close in our early years and I knew the family well. I'm sad to hear of Al's passing. We caught up at our 50 year high school reunion and talked for a long time about our past. What a great guy.*
