Albert (Bob) William Worsley

April 5 1937 - May 5 2026

Albert grew up in Cedardale and was the son of Nellie and Bert Worsley and a brother to Jack.

He worked as a Tool and die maker for General Motors for many years. He loved his family and his cottage on Redstone lake. Bob was a loving husband to Eileen and had 3 daughters Susan, Sandra and Paula. He was a favorite much beloved Papa to all his Grandchildren and great grandchildren. He loved animals and babies and to the end of his Alzheimers this shone through. Bob passed at home surrounded by those he loved most cared for lovingly to the end. Rest easy you are missed .

“ Our condolences to Sue, Sandra and Paula and your families. We will miss our neighbor Bob's smiling face and friendly wave from the deck as we pass by. They say it takes a village to raise a child and I am proud to count Bob as one of my Redstone fathers -who could always be counted on to remind us to put on a lifejacket, tie a shoe and not run on the rocks. He, like all our Redstone dads, kept us safe.

Take care

Love Jean and Howie
