“ We are deeply sorry to hear of the passing of our dear friend Bud. I have only come to know Bud for the past 7 years but he was a much valued friend of my husband for at least 15 years. Dan truly will miss their phone conversations since they no longer lived close enough to see one another. Our deepest condolences to Buds family and friends. Dan will never forget the help he received from Bud while returning to College as a mature student and is grateful that he had the opportunity to repay Bud for his help and support. He truly was a one of a kind kind of guy. Rest in pease dear friend.
