“ Dear Family,
I was notified by a dear friend who had worked for Alder long ago at ARC Video. He ran a cool little production studio and editing facility plus darkroom and I was fortunate enough to have met him as an unemployed student he took on under a summer placement program. He was supportive and that experience changed the path of my life and led me into photography and video. I did not know him long, but will remember him always. I am so sorry for your loss, I know he will always be near and is great.y beloved. Wanda vanderStoop

“ Dear Family,

Jude and I had many years at Club Intrawest together. After that Alder and I worked together in Whistler.

We loved Alder ... especially me, since I got to spend a lot of time with him.

Alder was such an interesting, intelligent, kind person with such depth I loved my philosophical conversations with him. Alder was truly special.

Alder always spoke about his family I can't imagine how sad you must be. We are so very, very sorry for your loss.

We are sending you our deepest condolences and much Love.

Memories of Alder will always be with us ...
