“ I am truly saddened to hear of Alfonso's passing. I can honestly say that it was a great pleasure to have known and worked with Alfonso at Orenda for many years, we shared so many stories and laughs together that even to this day they bring a smile to my face when I think about them (especially the turkey cooking episode). I have missed him since the day he retired and I thank him for the joy and happiness he has forever left with me.

My deepest and most sincere heartfelt condolences to all his family, and Albert, please keep in touch, I really miss talking with you. God bless you all.

“ Dear Dad

*I did not say goodbye to you. Because, I truly never gave up hope on you. You have always been in your little boys eyes; a father of great strength and one who always never gave up and fought every step of the way to hold on to your independence. That is why I never wanted to say goodbye. But your brave and un wavering strength right to the very end. I could finally see the time had come that you had no more strength left to continue on in your journey here. You have now gone to be with all who know you and have been waiting for your arrival. Go in strength and with peace in your heart. Knowing that we will all meet again.*

*With all my love for now and forever  
Dad,  
your little Tesoro. 😊  
Xoxoxo*

*Uncle Al, So very sorry to learn of your passing. You have spent the past number of years fighting a very debilitating disease. Comes a time, when we can no longer fight the fight and the good Lord steps in and relieves you of the pain and suffering. May you flourish pain free and with much love. God Bless! Your niece Suzanne xo*
