“ My friendship with your dear Mom goes back almost sixty years. In the early years we house hunted for our first homes together; babysat Donna and Wayne (Allan , you came along later) while the “ boys” went out baseball coaching; we bowled in the same league, and had dinner parties regularly with two other couples. In the later years when we had all moved out of Quebec, we spent many March breaks together in Florida -sunbathing, shopping and partying. Your Mom loved beach walking and gathering shells....and also modelling her latest purchases.

We always kept in touch. Even if we had not seen each other for a while, when we did get together it was just like no time at all had passed.

She was a wonderful, kind and caring person, always interested in others. I am happy to have known her and to have such wonderful memories of our times spent together.

My heart goes out to you, Donna, Wayne and Allan, during this difficult time. Love, Joan

“ My memories are of the weeks we spent in Florida with the Williams, Gagnons and Aline and John. They were great weeks, full of fun and laughter.

“ My dear “Auntie Line”, every memory I have of you is of your kindness and genuine interest in making others feel welcome and cherished. I will always remember the March vacations of my youth which included special moments with you and John. Though not related by blood, we are family. I always envisioned you and my father Peter living well into your nineties, amusing us all with your quick wit and gestures full of spark. May you and John and Peter be reunited somewhere with a cocktail in hand and a sunset in your view. You will be missed. xo Melissa
