“ Allan was my dear friend, after Emily’s passing, and we shared many happy times together. We travelled to B.C. to attend my nephew’s wedding and visited Allan’s relatives in Vancouver. We enjoyed our travels to Florida, Virginia Beach, the 1000 islands, and visits to my relatives in Washington and around Brantford and Tillsonburg. We laughed often with friends as we shared dinners out and then evenings together. Allan was a knowledgeable, detail-oriented person who passionately held his ideas in spite of other’s persuasions. He loved his son, Peter, Peter’s family, and the members of his own family. His laughter and ideas will be missed so much!

Uncle Allan will be dearly missed by our family. Even though he wasn’t blood related he will always be considered family to us. There are so many fond memories I have of him Aunt Emily and Peter. His laugh and big smile will live on forever in my memory.

“ Al was our neighbour since the houses were built. Although he was a very private person we often shared a good laugh when he was out working in the garden. He made us laugh when we could hear him yelling at the game shows and the politicians on tv. he was hilarious we enjoyed so many good outdoor chats in the summer. He was a good neighbour and we will miss him. Our condolences to the family.
