

Allan Richard Stuckless

June 10, 2026

It is with heavy hearts that we announce the passing of Allan Richard Stuckless, beloved son, father, grandfather, brother, and friend.

Allan passed away peacefully, leaving behind a lifetime of cherished memories and a legacy of love and laughter.

Allan was the devoted son of the late Lucy Stuckless and Allan Stuckless. He was a proud and loving father to his three children: Tara Stuckless (mother to Makayla, Robert, and Abigail), Krista Semple (wife of James; mother to Liam, Lucas, and Zachary), and Nicholas Stuckless (husband of Jessica; father to T.J., Jeremy, Avery, Levi, Noah, and Keylith). He took immense joy in his role as “Poppy” and was deeply proud of his growing family.

Allan was reunited in heaven with his brothers: Jerry (father to Jamie and Paul), David (father to Nancy), Gord, and Bruce (father to the late Nelson, Cassandra, David, and Katrina). He is survived by his brother Nelson (father to Candice, and Jason), his sister Sylvia (mother to Jennifer and Melissa), and his sister Debbie (wife of Fred; mother to Jeff and Justin).

He will be greatly missed by his many great-nieces and nephews, as well as countless dear friends.

Allan was a true lover of life. He found great joy in playing darts, was a proud member of the Royal Canadian Legion, Branch 73, and had a deep passion for music. His warm spirit, sense of humour, and easy-going nature touched everyone who knew him. He will be remembered for his kindness, his dedication to family, and the simple pleasures he enjoyed sharing with those around him.

Though words can never fully capture the depth of our loss, Allan's memory will live on through his children, grandchildren, and all the lives he touched. The family would like to thank everyone for their love, support, and kind messages during this difficult time.

Rest in peace, Dad. You are loved beyond measure and will never be forgotten.

Celebration of Life to be held in his honour on August 1st, 2026.

In lieu of flowers, donations can be made to the Canadian Cancer Society.
