

Allison Rae Goodwin

July 13, 2024

Allison Rae Goodwin

On July 13, 2024, our beautiful mother, and grandmother, passed peacefully away from complications of dementia. She was 86.

Allison was born in St. John's NL. She was the third child of Raymond & Florence Udle.

She graduated from The St. John's General Hospital School of Nursing in 1958.

Our mom was a devout Christian and loved her Bible studies and hymn sings. Even with late stage dementia, she could still sing along the words to many hymns.

Allison had a keen thirst for knowledge and travel. She was a talented artist, painter and knitter.

In 1986 she married her beloved Dr. James W. Goodwin. Her married life with Jimmy was the happiest time of her life. He treated her like gold. Together they travelled the world and lived in St John's, NL, Saudi Arabia, Oman, Yarmouth, NS, and Toronto, Ontario.

Allison was predeceased by her baby brother David, her stillborn baby daughter, (unnamed, 1966) , her parents, her ex- husband Joseph Drover, sister Daphne and her beloved Jimmy.

She will be very sadly missed by her daughter Kim (Drover) Giffin, (Barry), son Geoff Drover, (Tracy), Grandchildren: Matt, Chelsey, Jacob, Rachel, Hayley &

Noah. At the time of her death, two great-grandchildren were on the way. She also leaves to mourn two sisters, Janet Major & Sandra Walters. The family would like to deeply thank Allison Cooper, Nurse Christina, and the amazing staff at Christie Gardens Care facility in Toronto. Also, many thanks to Jimmy's brother, John Goodwin, for his steadfast support over the years. A family celebration of Allison's life will be held at a later date. Memorial donations would be gratefully accepted at The Christie Gardens Foundation, www.christiegardens.org.
