

Andrea Cole

April 3, 2019

It is with great sadness that we announce the passing of Andrea Cole on April 3rd, 2019 after a lengthy illness at the age of 55, at her home in Gravenhurst. Beloved partner of the late Marcus Haas, daughter of the late Alexander Cole and Sheila Cole (née Laycock) and sister to Simon, and Sarah. Andrea will be lovingly remembered by her family and friends.

Born in Belfast, Ireland, she immigrated with her family to Montreal, Quebec in 1964 and later moved to Toronto after University. She was last employed with the Ministry of Energy before her illness forced her to take leave. She will be fondly and forever remembered, particularly for her courage and determination in the face of her many later challenges. Many thanks to all those who cared for her in her final years. She will be greatly missed.

Those who so desire may make memorial donations in memory of Andrea to the MS Society of Canada or Canadian Cancer Society.

“ I didn't know Andrea, but today I sat for awhile beside a tree with her name on it (hope it's hers) today down at Toronto's beaches. I felt a lovely energy from the tree, including comfort and warmth, during this strange time. Sending love <3 Blessings.

“ I knew Andrea way back in university (and her brother Simon in high school) as we took several courses together and I remember her well and very fondly. I learned of her passing by chance, but am nonetheless sincerely saddened that such a wonderful person is now gone. My heartfelt condolences go out to her partner and family.

“ My sincere condolences. I had the privilege of working with Andrea in 2006-2007. She was one of the first people I met when I started a new job at the Ministry of Energy. She was very kind and a very talented professional. I enjoyed working with her very much. Andrea is in my thoughts and prayers.
