“ Dear Mark, Nicholas, Laura, George and Rebecca, My most sincere condolences to you and all who shared Andrea's love. Her smile filled a room. Her bright passionate spirit touched all who knew her. I was honoured to have known her during our years at L&H. Andrea was a star. May all beautiful memories remain a source of comfort. With love, Rochelle

“ I worked with Andrea at CCFC for many years and we developed a close friendship. We were able to share a lot of personal life experiences and medical similarities and I was able to email and talk to her up until last Fall. I was shocked and saddened to hear of her passing as she was so young and had a lot of life to live with Mark and Nicholas. My heart is with the family as you go through this sad time. I hope that having/knowing Andrea in our lives will give us all something to remember lovingly and appreciate the strength, beauty and wisdom this young woman presented to us all.

*Rest in peace now Andrea.*

*With much love,*

“ I enjoyed knowing Andrea through Hearth Place Cancer Support Centre. Andrea attended several of the Newly Diagnosed Groups which I facilitated. She was a very caring and wise woman, respected and liked by all members of the groups. I know she will be sorely missed. Carole Keys
