ELEFThERIOU, Andreas Petrou – passed away due to a cardiac arrest at Mackenzie Health Center on December 26, 2016 at the age of 73. “ As I remember Andy at the kids weddings he was very proud of his family and very particular that details were carried out according to proper protocols .
As well as a man always willing and ready to assist when a mechanical need arose,
Good traits that will be appreciated as well in the new system "just around the corner"

“ It is with a heavy heart that I offer condolences to my father, Costas, for losing his only brother and to my cousins Leah, Rachel, Jonah and Esther. I have many memories of theio Andrea from my childhood and what I remember most is his loving adoration for his children and family. He enjoyed regular family vacations and taking his family out to dinner regularly for family dinners. I say goodbye dear uncle until the day when we will all be reunited. All my love,
Martha

“ Leah & Jonah, It's Geoff Gabbard. I'm sorry I don't remember your other sister, I believe. I was in the old Christie Congregation in the 70's. Your Mom & Dad used to have we, former hippies over to your house. They were good times. I'm now in the Alliston Cong. I've been going to Your Uncle Gus with my cars since he & your Dad were partners in the 70's. I remember joking around with your Dad. He & Gus look so much alike so I'll never forget him. But I do so look forward to seeing your Dad in the Paradise that Jehovah God has promised in the near future! My email is supershine_2000@hotmail.com
