

Anita Kristina Elisabet Orlik Rückemann

January 6, 2026

It is with heavy hearts, we share the passing of Anita Kristina Elisabet Orlik Rückemann on January 6th, 2026. She left us suddenly but peacefully, surrounded by her loving family.

Anita was the beloved spouse of Steve Tomsa. Proud big sister of Kerstin Brofall, Ann-Charlotte Zander, Pia Månsson Zander and Karl Gunnar Zander. A devoted and loving mother to Christian Orlik Rückemann and his wife Debbie, Tommy Orlik Rückemann and his wife April, and Veronica Capitano and her husband Carmen. She was a cherished Mormor to her grandchildren Andrew, Alex, Isabella, Nicholas, Jessica, Joshua, Zachary, and Parker, as well as a proud great grandmother.

Anita moved through life with a gentle smile, a positive spirit, a warm sense of humour, and a quiet strength. Her kindness, warmth, and steady presence touched everyone who knew her. She will be forever loved and deeply missed.

In keeping with Anita's wishes, a private family Celebration of Life will be held at a later date.

“ We were sad to hear that Anita passed away, we miss her already.

Anita was a kind, lovely lady who enjoyed and loved her family and approached life with a sense of humour. Anita and I always had a hug and a smile for each other whenever we got together.
