“ At 5pm local time in Victoria, BC, I attended Mass at the same time family and friends were attending Annette's funeral Mass in her parish Church and offered it for the repose of her soul. I also requested a friend, Fr. Joe Kelly, in England, offer a Mass for Annette. He and I were guests of my cousin, Annette, and Leo at their first home in Toronto, and both of us have many happy memories of our visit in 1964. My prayers and best wishes to Michael, Peter and Nora. Godbless, Joe Rigby

“ When Ann and I were about 20 I remember taking her to a Jazz concert at the Saints Jazz Club in Liverpool and riding back cuddled up together on the back seat of a double-decker bus from Liverpool to St Helens, England. That had to be before Bernard & I bought the old London Taxi Cab, otherwise that would have been used.

“ *Ann will be greatly missed - she was such a wonderful person. An outstanding nurse, a wonderful friend, a great mother - all-in-all, a good woman. I'm sure she has earned a wonderful place in Heaven.*

My sincere condolences to Michael, Peter, and Norah and to Ann's many relatives and friends.
