“ Ann led a vibrant Ladies' Coffee Break ministry at Zion Church which I attended. It was about 35 years ago when she provided a warm welcome to everyone who came. Ann shared her gifts/time/leadership abilities at a time when I so needed a place to come for coffee/Bible Study and where our young children could be given childcare. The last time I ran into Ann was at the Metro, where she was buying snacks for a Friday night gathering of people at her house. I will miss her optimistic outlook and ready smile.
