“ I am so blessed to have been able to meet Anna, unfortunately I would have loved to have met her years earlier, but as they say better late than never. She was very instrumental in helping me in my genealogical search for our Perry relatives. She was an inspiration to me and we chatted about her parents and siblings. I really learned a great deal from Anna. My aunt Dorothy Cilcus there at the church when Anna became a nun. My aunt will be very sad to hear about her cousin's passing. I am very proud to have known Anna as my cousin. I am sure she passed this life with no regrets because she seemed to always be a happy person and still in her 90's wanted to learn new things, especially the computer. You will truly be missed Anna but always remember and never forgotten.  
Your cousin Norma
